All Functions Catered For

Our superior chef Alan, will design any menu to suit your special occasion.

Tradition Talks

In 1827, as building work started on a new Cathedral in Tuam, Sheridan's of Milltown was established just a few short miles away.

Changing with the times, yet proudly rooted in this historic village, Sheridan's has evolved into a modern, vibrant restaurant and Bar with fully equipped large function rooms.

Current Proprietors Cathal & Helen Sheridan are the seventh generation to run the family business.
